

# 2017 "Joyful Fruit Month" School Newsletter

## Fruit • Fun • Share

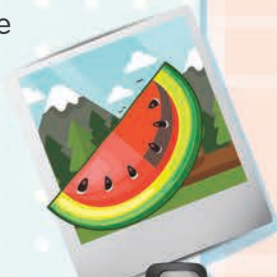

### Latest Application Status

Since the launch of this school year's "Joyful Fruit Month" in October, we have already received joining applications from over 1,300 schools with over 500,000 participating students. For details, please refer to the [Map of Participating Schools](#).

### – Sharing Activities Photos of the "Joyful Fruit Month"

To resonate with this year's theme "Fruit•Fun•Share", we did not only construct a **"Joyful Fruit Month" School Activities Photo Gallery** on the thematic website of the "Joyful Fruit Month", but also added the "Joyful Fruit Month" Photo Album to the **Facebook Fanpage of the Centre for Health Protection, Department of Health (DH)**. Schools are welcome to take photos of the exciting moments in the fruit related activities they organise. At the same time, schools may also gather students' daily photos on fruit eating. After collecting the photos, schools may submit them together with a filled **consent form** to the "Joyful Fruit Month" Secretariat for constructing an exclusive online photo gallery, whereby other secondary and primary schools, pre-primary institutions, and the general public can share the exciting moments more easily.

# New Version of the E-Certificate Printing Programme

2017 "Joyful Fruit Month" **E-Certificate Printing Programme** has already been released.

In February 2017, the execution password of the programme was emailed to the teachers-in-charge. Teachers-in-charge can login to the thematic website of the "Joyful Fruit Month" to prepare certificates of commendation for students proactively participated the activities of "Joyful Fruit Month".

## Campus and Community Promotions

### - Brand New TV Promo

This year, DH's Central Health Education Unit is going to produce a brand new TV promo on fruit eating. By conveying relevant messages to campuses and communities, it is hoped that the promo could develop a healthy habit of fruit eating among all students and citizens.

The TV promo will be debuted in April during the "Joyful Fruit Month". Stay tuned!

## Collecting "Joyful Fruit Month" Trophy

This year, all schools participating in the "Joyful Fruit Month" activities for ten consecutive years will be awarded an exquisitely designed trophy in appreciation for their long term support to the "Joyful Fruit Day/Month" activities, as well as their relentless efforts in developing daily fruit eating habit among schoolchildren. The notification letter for award collection will be sent to each of the eligible schools in the near future.

1

My little daughter's composition was acclaimed and recognised by the teacher. Let me award you a fruit platter.

2

Brother, you are really busy with your study. Why don't you eat fruit to relax? I root for you!

3

Whenever there is a friend feeling sad, I give away fruit to show my care.

4

After dinner, let's sit together for fruit and chat so that we can enjoy fruit while sharing the stories in our lives!
