

# Fruit for the Family

## A Show of Care and Encouragement!!

One day, Brother Apple was rushing home....  
...while Sister Grape and Mama Pear were  
enjoying their fruity break at home.

Hi! It seems  
you're in a  
hurry; why?

I've a lot of homework to  
do today. Also, I've a few  
tests tomorrow. I'm afraid  
I don't have enough time  
to prepare.

2

Don't worry; just try your best!  
Have this piece of fruit. When you  
finish, take your time and study.

3

Thank for the fruit!  
I'll work hard!"

Fruit can give us health. What's more,  
it's a symbol of care, encouragement  
and a gift. That's why, fruit is 'More  
than Fruit!'
