齊來製作蔬果眼鏡！
Let's make a pair of fruit and vegetable glasses!

完成作品圖示
Picture of the finished work

沿黑線剪下框面，然後用膠水或膠紙把左右鏡腳分別貼在框面兩側。

Cut out the frame front along the black lines, then use glue or adhesive tape to stick the left and right temples onto the two sides of the frame front, respectively.

蔬果作小食，健康又美味！
It's healthy and yummy to have fruit and vegetables as snacks!
